

Park Avenue Radiologists Selects RCN Business for Data Services

New York, NY – September 17, 2013 – [RCN Business](#), an industry-leading provider of high-speed Internet, all digital TV and phone services, announces it has been selected by [Park Avenue Radiologists](#) for data services.

Park Avenue Radiologists was the first private medical practice in Manhattan to bring MRI and CT Imaging technology outside the hospital setting. Due to the advanced medical technology used, Park Avenue Radiologists was in need of efficient and secure data services to support mission-critical applications.

“The installation of a 250 megabit Dedicated Internet Access Circuit has allowed us to upload and download large files without any downtime,” says Vikas Gupta, Director of IT at Park Avenue Radiologists. “The installation was very prompt and transparent and RCN’s 24-hour customer service has been extremely proactive.”

“We are proud to be able to serve New York City’s medical providers, such as Park Avenue Radiologists, with our solutions,” continues Bruce Abbott, General Manager, RCN Business New York. “Healthcare providers should only have to focus their efforts on providing the best medical treatment possible to their patients. RCN Business provides the most efficient and reliable data solutions to ensure that our doctors and nurses can focus on treating their patients without worrying about their network security or reliability.”

RCN Business will be exhibiting and sponsoring at the iHT² Health IT Summit in New York City, September 17-18, 2013. To schedule a meeting, please email jsa_rcn@jaymiescotto.com.
